

## The Useless Agency

A Without Prejudice Limited Liability Administration Organisation.

### UNTIL FURTHER NOTICE NOTICE - SUB JUDICE

Various sections and materials of this site are currently hidden due to their potential relevance to an ongoing legal case, to be unhidden again in the future at a time when they will not prejudice the legal process.

These are important documents for illustrating the ways in which truthfulness and individual agency and moral intelligence are compromised in the service of self-serving bureaucracies and capitalist corporations.
